Re: D.T.E. 05-27 - MOC Information Requests - Certificates of Service

Dear Secretary Cottrell:

In reviewing the three sets of Information Requests that were filed with the Department on behalf of the Massachusetts Oilheat Council, Inc. (MOC), I noticed that we neglected to include our Certificate of Service even though all parties were served.

In consultation with Hearing Officer Bulger, she directed that I transmit to you for filing the original Certificates of Service for each of the Information Requests. She further indicated that it was unnecessary to serve all of the parties with these certificates. Consequently, an electronic copy is being sent to the D.T.E.'s electronic filing website, and hard copies are being sent to you.

Please date stamp our "File Copy" and return it to us in the enclosed self-addressed stamped envelope.

Please contact me if there is any question about this filing or if the Department requires any additional information with respect to this filing.

Respectfully submitted,

EP/mac
